

In 2022, when war came to Ukraine, thousands of gifts to UPF from generous and caring individuals, churches, and foundations enabled UBTS to bless and serve people throughout Ukraine. **With your support**, UBTS staff, students, and alumni provided help and hope when all of the normal rhythms of life were disrupted.

Thank You!

Refugee Assistance & Humanitarian Relief

10,000+ refugees received temporary shelter, meals, clothing, medicine, and spiritual care at the Seminary property in L'viv.

7,000+ refugees received assistance and transport to safer locations in Ukraine and other nearby countries.

35,000+ internally displaced people received food and other essential supplies.

550,000 pounds of food and other supplies distributed to 189 cities, towns, and villages.

WeCare Centers

8 WeCare Centers established to rebuild and restore the physical, emotional, and spiritual health of communities throughout Ukraine; 10 more opening/under development.

70+ generators of various sizes distributed to homes, shelters, and other gathering places.

Multiple teams of U.S.-based Christian counselors provided both direct counseling and "trauma helper" training.

76,000 New Testaments distributed.

15 Bible study groups and **1 new church** launched in the midst of war.

2,000+ people began attending church services.

In the midst of many ongoing challenges, UBTS resumed seminary operations as multiple cohort groups of 150-200 students returned for in-person classes, often meeting in the basement of the new building which served as a bomb shelter.

493 students completed their studies and graduated.

1,600+ total student enrollment reached.

UBTS waived tuition costs for students unable to pay because of the war.
