In 2024, the number of WeCare Center staff, volunteers and partners all increased to serve communities and people across Ukraine.

MISSIONAL FOCUS: *HOPE*

SHARING THE GOSPEL TO TRANSFORM LIVES AND STRENGTHEN LOCAL CHURCHES

Hundreds of church leaders and congregations have been displaced by the war - disrupting how faith communities are sustained and grow. **The united mission of UBTS, ILC, and WeCare Centers is to offer opportunities for people to hear and heed the Gospel message and build thriving local churches.**
